

Introducing the only Plastic Tank/
Aluminum Truck completes good enough
to be called

TRUCK TOUGH

TSM

Thermal Solutions
Manufacturing, Inc.

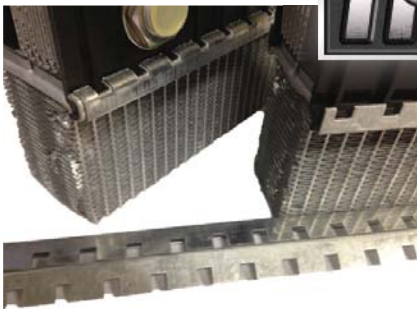

www.thermalsolutionsmfg.com

Built strong, built to last

It's the only brand durable enough to carry the TSM TruckTough® name. Built with steel-supported tabbed headers for heavy duty applications, and ribbon-style tab headers for standard applications, our high-efficiency core design features close-tube centers for exceptional cooling.

Our heavy-ribbed tanks stand up to the stresses and strains of hard-working vehicles. Inside, you'll find extra reinforcements in all the right places to help prevent failure. And if you ever do need us, our nationwide network of 21 branches means we're close to wherever you are, so you can get back on the road fast.

TRUCK TOUGH

Steel-supported tabbed headers add durability for heavy-duty applications.

Inner steel hose connection reinforcements stand up to stresses.

Internal corner tube reinforcements provide added strength and durability.

Ribbon-style tab headers for standard applications.

Heavy-ribbed tanks provide extra durability.

Wherever you go, we've got you covered.
