

## Heavy duty Ajax radiators for oil/gas industry and mine pumping equipment

Designed by experienced engineers, our radiators outlast and outperform the competition. Whatever you need, we can build it—because we've been building the highest quality radiators in the industry for over 100 years.

**Features include:**

- Heavy gauge side piece
- Precision manufacturing in North America
- Stamped tanks, not fold up
- Heavy FF core
- Welded sides
- Corrosion-resistant tanks

**437940M, AJAX 7.25-8.5L**  
**Stamped brass tanks**

Height	Width	Depth	Rows
20-1/8"	18-3/4"	2-5/8"	3
