

Stainless Steel Oil Coolers

Applications on back!

We offer a wide range of oil coolers that help improve overall system performance. They meet virtually every system requirement for maintaining safe fluid operating temperatures to protect engine components.

- High-grade 304L Stainless Steel plates ideal for even high-pressure applications.
- Highly efficient, thin-walled plates with internal turbulators for maximum heat transfer.
- Ideal for engine oil, transmission cooling applications.
- Variable stack heights available to meet various applications.
- Variable inlet/outlet fittings available to meet connection requirements.
- 3 tube lengths available to meet packaging requirements.

Made by R&D Enterprises, a TSM company

A recent addition to the TSM family, R&D Enterprises is a made-in-America company with nearly 40 years of experience manufacturing high-quality, engineered oil coolers and heat exchangers.

R&D products meet the critical requirements of multiple industries, specializing in heat exchangers and oil coolers for recreational boats, commercial marine vessels, trucks and automotive applications, agricultural equipment and many other industrial uses.

TSM Stainless Steel Oil Coolers

Part Number	Description
23529434	19 Plate SS Oil Cooler
5241880226	30 Plate SS Oil Cooler
08547237	24 Tube Plates (7.0) (Dual Coreplate)
08547194	4 Tube Plates (5.5) (Single Coreplate)
08547195	Plate Type Oil Cooler (SS); 18 Tubes Single
08547236	Plate Type Oil Cooler (SS); 13 Tubes Single
08547547	Plate Type Oil Cooler (SS); 16 Tubes Single
08547548	Plate Type Oil Cooler (SS); 6 Tubes Single
08547551	Plate Type Oil Cooler (SS); 8 Tubes Single
08547552	Plate Type Oil Cooler (SS); 32 Tubes Dual
08547553	Plate Type Oil Cooler (SS); 16 Tubes Dual
08547554	Plate Type Oil Cooler (SS); 12 Tubes Dual
08547555	Plate Type Oil Cooler (SS); 12 Tubes Dual
08547556	Plate Type Oil Cooler (SS); 16 Tubes Single
08547557	Plate Type Oil Cooler (SS); 4 Tubes Core
08547558	Plate Type Oil Cooler (SS); 4 Tubes Core
08547561	Plate Type Oil Cooler (SS); 24 Tubes Dual
08547563	Plate Type Oil Cooler (SS); 8 Tubes Single
08547581	Plate Type Oil Cooler (SS); 13 Tubes Single
52450950	Plate Type Oil Cooler (SS); 5 Tubes Single
23522415	Plate Type Oil Cooler (SS); 10 Tubes Single (Series 60)
23522416	Plate Type Oil Cooler (SS); 9 Tubes Single (Series 60)
